ACCESS AND INSPECTION OF RECORDS AND PROPERTY.

Section 2.126(b) - Access and inspection of records and property: A responsible adult shall be made available to accompany APHIS officials during the inspection process.

A responsible adult was not available to accompany inspection at 1 pm on 04/12/2011. I contacted the licensee and they were currently in traveling status. The licensee stated an updated itinerant was sent to USDA, however I contacted the eastern regional office and no itinerary was on file. A responsible adult needs to be available during business hours so that animal welfare inspections can be conducted. Updated itineraries must be send to the eastern regional office.

TO BE CORRECTED IMMEDIATELY.
